**Policy regarding Membership Resignation and/or Change of Membership Status:** Memberships, regardless of category or effective date, continue through the last day of May each year. All memberships automatically renew annually on June 1, unless a written resignation, a written request for a leave of absence or a written request for a downgrade in membership category is received and acknowledged by the TCC Board of Directors prior to June 1. Any resignations, leaves of absence or requests for a downgrade in membership category received after the last day of May will not be accepted. Once received by TCC, resignations or leaves of absence do not relieve a member of their obligation to pay monthly dues and all other charges incurred through the last day of May. Reduced rates, as a result of a downgrade in membership category, will not be in effect prior to June 1 regardless of when the request was submitted. Members may increase their membership plan type at any time with Board approval.
