# WELCOME

Hello Friends,

May has arrived, and another exciting summer season is approaching. While Mother Nature has not been too kind to us thus far this spring, we anticipate a wonderful month ahead. My team looks forward to more activity and many great times this summer.

The patios are set and ready for your enjoyment. **Breeze** will be open for the weekends beginning **Friday, May 17**, and seven days a week once we reach Memorial Day Weekend, when we officially open the pool and kick off the summer season.

If you have not noticed, we gave Vibe a refresh a few weeks ago, and it looks absolutely gorgeous. The impact a fresh paint job can have is incredible! VIBE is a beautiful area where you can get in shape for the upcoming bathing suit season. Be sure to take advantage of the many complimentary classes we offer weekly!

The pickleball and tennis nets are up, and the courts are available. If you have yet to try pickleball, stay tuned to your emails as we work with our TCC Pickleball Ambassadors to elevate this amenity for you, our beloved members.

The New Dining Menu is set to launch later this month, and our culinary team, led by **EXECUTIVE CHEF CHAD WILKOFF**, continues to make us the premier dining destination in the Mahoning Valley. Our entire team is eager to see more of you, and it is our pleasure to serve you.

This is a Friendly Reminder that Mother's Day is Sunday, May 12, and there is no better place to spoil the mothers in our lives than at the Club. I hope you will join us for our magnificent Mother's Day Brunch! Be sure to call the Club to make your reservation today at **330.372.4024!**

A limited number of memberships remain, so please let your friends, family members, and business associates know about the enjoyment the Club brings you. I am happy to give them a tour and answer any questions they may have. The Club is more fun with the ones you love.

Happy May, and Let the Season Begin!

Respectfully yours,

# PRESIDENT'S MESSAGE

Greetings Members,

Every year, when the weather changes and the temperatures warm, there is a new sense of purpose as the plants come back to life. That same phenomenon seems to apply to the game of golf. All winter, as I looked out my window, there were rarely any golfers on the course. However, since the weather improved, there has been a plethora of players trying earnestly to fine-tune their games in advance of our official golf season.

Because my golf game can always use a little improvement, I, too, tried my hand at getting a jump on things by making a visit to our driving range. Unfortunately, I selected the wrong day to "go to the range." Forgetting about the email reminder that we were hosting a Junior PGA Golf Tournament a couple of weeks ago. I had the distinct privilege of sharing the range with some tremendous golfers with the most limber swings I've ever seen. By comparison to their fluid body motion, my creaky old back was actually making funny sounds as I tried to hit the ball as far as the tournament participants. Aside from my creaking and continuous grunts as I tried to hit as far as the kids, I also stood out because I was about 2 feet taller than the 6 year-olds I was hitting with. It was quite humbling. Next year, I'm going to pay closer attention to the pro shop's emails.

Speaking of younger golfers, you may not know this, but we, as a Club strongly support events for the next generation of golfers. All season, we have our own, very impressive junior golf program. For each of the past few years, our participation level has grown, and the quality of play is amazing. We also serve as the host site for multiple high school matches and tournaments. Even as the players move on to the collegiate level, we still offer them the ability to play on a first-rate golf course. The Youngstown State players are frequent guests as they prepare for their Horizon League competition. I know this because when I was cutting my grass last week, I found 4 Titleist balls with a big red "Y" logo. Let's hope the YSU coach schedules a few more practices, so there are more balls in the fairway than in my yard.

As we all look forward to the new season, I hope to see you at the Club.

See you at the Club,

A handwritten signature in black ink that reads "Kevin T. Murphy". The signature is written in a cursive, flowing style.

Kevin Murphy  
President

## *In Sympathy ...*

It is with great sadness that we report the passing of William Rigel on April 4, 2024. Bill enjoyed dining at the Club and ordering his Merlot. He was a TCC member for over 43 years, and he and his wife Virginia, who passed last year, were avid golfers for many years prior to becoming social members.

We extend our deepest condolences to Bill's family.

# CULINARY CORNER

Hello TCC Foodies,

April showers truly brought May flowers this year! We have had some excellent weather, especially in the past week. This is great for the fresh produce that May is known for, such as mushrooms, zucchini, Vidalia onions, green beans, cucumbers, cauliflower, and broccoli. On the fruit side of May, we will be seeing peaches, pineapple, strawberries, grapes, mango, and bananas! Our culinary team will be drawing a lot of inspiration from what this month has to offer.

Our culinary foundation training topic for this month is THE SIX SKILLS EVERY COOK NEEDS. Whether you're cooking for yourself and your family or members of the best Club in the valley, you need these six skills to master your kitchen. These six include knife skills, sauteing, roasting, blanching, emulsification, and braising.

Whether you are chopping carrots or fresh herbs, a basic understanding of culinary knife skills should be the first thing you master in the kitchen. Efficient and accurate knife skills, such as how to dice or julienne, will be the difference between making your time in the kitchen a chore or a breeze. Learning proper knife skills will help to make your dishes cook more evenly, your flavors develop in a consistent manner, and your time in the kitchen much more relaxed and safe. There are five classic cuts we as culinarians should master, which include the dice cut or uniformed cubes, the julienne cut or matchsticks, the mince cut, the batonnet cut, which is similar to julienne but more of a thick rectangular cut, and the brunoise cut which is a very small fine dice cut. Mastering knife cuts can improve the aesthetics, flavor development, consistency, and overall experience of a dish.

Eat Well,

Chad Wilkoff  
Executive Chef

## MARCH CHEF'S TABLE: EARTH ELEMENTS OF FENG SHUI

On Thursday, March 28, our members and guests took TCC's grand tour of Napa Valley. The Cedar Plank Wood Fire, Garlic Grilled Spinalis Steak with Lemon Herb Compound Butter, and the Spiked Cantaloupe & Basil Sparkling Water Spritzer were the favorites of the evening. Greetings Golfers,

As we constantly look for ways to improve your experience as a member of Trumbull Country Club, the Golf Committee and Golf Professional Staff are excited to announce our new online event registration. This new software will give you access to every detail of the event calendar at your fingertips. We are delighted that many of you have already embraced the opportunity and signed up for multiple events using the new system. If you have any questions or would like a demonstration, please stop by the Golf Shop, and we will be glad to help.

All the events are beginning to fill up quickly, especially the 37th Men's Guest Invitational. We currently have 43 registered teams, leaving only 17 open spots remaining before the 60-team field is full. If you would like to participate in this fun three-day event, please contact the Golf Shop and fill out the registration form. All 43 confirmed teams should have received an email from Mark stating that we received your registration form. If you haven't received it, please let us know as soon as possible.

All of us in the Golf Shop are excited for the 2024 season and are looking forward to seeing all of you out on the course soon.

Respectfully,

Dominic Chiarella  
Head Golf Professional

Good Day TCC Members,

It's hard to believe that April showers brought May flowers this year. Lately, our weather pattern has been off, but maybe 2024 is the year we get back on track. I blame it on the Solar Eclipse! I would like to thank everyone who attended the "Special Meeting" on Tuesday, March 26, and sympathized with the "woe is me" story that was laid out.

An Irrigation system is not the most attractive thing we can spend \$2.9 million on, but it shows the board and memberships' commitment to Trumbull Country Club's existence in your community for years to come. This project will continue to elevate our Club's standards and mine as your Golf Course Superintendent to be the best in class! This project will help us knock it out of the park regarding course conditions and overall property aesthetics.

Big things continue to happen at the Club every year, and I am proud and excited to be part of Trumbull Country Clubs rise to the top!

See you on the course,
