DON'T FRET ONLY 19 DAYS UNTIL SPRING SAY GOODBYE TO OLD MAN WINTER!

Hello Friends,

March has arrived, and if we are lucky, like the Irish, we will have sunshine, blue skies, and warm temperatures very soon. Mother nature has been very kind this winter, and I am starting to think there is something to this global warming I keep hearing about. The nice weather has allowed Nick and his grounds crew to complete many projects throughout the property, including upgrading our bunkers, top-dressing the greens, and removing trees. As a fellow golfer, I am excited to see what this season brings as we truly see the fruits of Nick and his team's labor over the past few years!

You cannot miss our **ANNUAL ELEGANT EASTER BRUNCH** on Sunday, March 31 (Yes, it is very early this year). **EXECUTIVE CHEF CHAD** and his team of talented culinarians have created a scintillating menu to satisfy even the most refined palate. We will also offer Easter Dinner Carryout featuring your choice of Ham, Turkey, or Prime Rib and all the fixings. For those of us with little ones, the Easter Bunny will stop by with eggs filled with sugary treats for both young and old. The Annual Easter Egg Hunt may be my favorite 10 minutes of the year!

If you have yet to visit us on a Friday Night – Cod and Mac n' Cheese are back! **SOUS CHEF PAM SCHOLL** creates the best Mac n' Cheese I have ever had! (Please do not tell my wife) Be sure to get to the Club to try it out for yourself by making a reservation any Friday this month.

I would be remiss not to mention Club President Kevin Murphy's favorite holiday, the celebration of St. Patrick. We will have our **ANNUAL SHAMROCK SOIREE** on Saturday, March 16; as the 17th is a Sunday, we want to ensure everyone makes it to work on Monday. So don your finest green attire and head to the Club for Irish Fare and maybe a Guinness or two.

As you can see, we have much to offer this month at the Club. Remember to tell your friends, family members, and business associates about your beautiful experiences while spending time at 600 Golf Drive. We are looking to add great people to our already exceptional roster of members, and if you have anyone in mind, please send them my way!

Smile as sunset moves to almost 8:00 PM by the end of the month!

Respectfully yours,

Cory Pagliarini
General Manager

PRESIDENT'S MESSAGE

Greetings Members,

I can't tell you how thrilled I was a few weeks ago when there was a special holiday for me. Always one to lift my spirit, my wife kindly informed me that "President's Day" was actually in honor of our U.S. presidents, and not the president of TCC. Who knew?

But since we were honoring the American presidents, I thought of a quote from Dwight D. Eisenhower. He is credited with once saying, "Accomplishment will prove to be a journey, not a destination." His famous line is so appropriate for what we have done here at the Club. Over the past few years, we have accomplished so much. In a few short years, we've added our outdoor patio, opened our outdoor bar at the Breeze, installed paved cart paths, and completed many other enhancements. We've also grown our membership and added many new golf and social members to make our operational model more sustainable. However, we're not done, and the journey continues.

As I've mentioned over the past year, the board has been investigating how best to protect our most valued asset, the golf course. Our irrigation system is antiquated and in desperate need of an upgrade. Because our system is decades past its intended useful life, we struggle to find parts and to keep it running at a functional level. The board has interviewed and met with consultants in the business and entertained their recommendations on what to do. We've also researched and interviewed companies specializing in installing golf course irrigation systems. As we now know what is involved in such a project, we are focusing on the cost, and how that cost can be addressed. As we learn more and have a plan, we will keep you updated.

It is also that time of the year when the board reviews the structure of our dues and fees. The goal each year is to try, as best we can, to limit any increases and still maintain the features and amenities you've come to expect. With our membership year ending in May, the board will continue to work on our dues budget so we can timely provide you with the board's recommended course of action so that we can continue our journey of accomplishing great things that make our Club the best in the area.

See you at the Club,

In Sympathy ...

We are deeply saddened by the passing of Tony Corbisello, a valued TCC member. Tony was the light in every room he walked into. We loved seeing him after golfing with his closest friends drinking his Grey Goose and Grapefruit with a large straw and we will miss him dearly.

Our heartfelt condolences to the Corbisello family and friends, we will keep them in our thoughts and prayers.

CULINARY CORNER

Hello TCC Foodies,

Happy March! As a culinary team, this month's inspiration of cuisine comes from what is in season and the holidays that are celebrated this month! Specials you will see this month include; root vegetables, hash, falafels, white bean and orange salsa, and a fan favorite of the Club, bananas foster! March is known for everyone's favorite fruits and vegetables that are so so versatile to use such as blood oranges, pears, lemon, arugula, cauliflower, brussels sprouts, mushrooms, and leeks.

Our **NEW MENU** has been launched for about a month now, and we are eager to hear your feedback! We hope you are enjoying the selections and developing some favorites. My little birdies in the dining room have reported back many compliments on the diversity of the menu and I am thrilled to hear a positive response from our valued members! Please complete our dining survey which will be emailed out on **Friday, March 1**, so we can continue to improve and provide the best possible experience for you and your families.

Our culinary foundation training topic for this month is all about **S-E-R-V-I-C-E**. This acronym is used in hospitality services all over the world and it stands for; smile, empathize, respect, value, inform, care, and engage; all principles we as a staff try to emulate on a regular basis to our members to ensure a great experience every time you dine with us! Cooking is the basis of our mission here at TCC to provide the best culinary experience in the Mahoning Valley, in the words of Thomas Keller, ***"A recipe has no soul. You, as the cook, must bring soul to the recipe."***

Eat Well,

Chad Wilkoff

Greetings Golfers,

The 2024 golf season is here! The TCC Golf Professional Staff is excited to get back to work and help everyone have the best year possible. The event calendar is full of your favorite events along with a few new events we know you will enjoy. The Rusty Open will kick off our event calendar with a 1:00 PM shotgun on Saturday, April 27 and the anticipated Superintendent's Revenge will close the season on Saturday, October 12. I want to thank each of you for your participation in our tournament calendar and for getting out to play our beautiful course. With a mild and dry winter, we are on pace to break last year's record of rounds played in a season and I look forward to seeing all of you out at the club!

Indoor fitting season is back and ready for you. You will have access to try out the latest equipment from Titleist, TaylorMade, and Callaway before we get the season started. We will use our Trackman launch monitor to get all your data just like an outdoor fitting. An email with the dates each manufacturer will be here along with a link to register for a time will be sent closer to the event dates.

There were no major rule changes this year but a few updates for the World Handicap System. Below are the key changes that are now in effect for the upcoming season.

- Inclusion of shorter-length courses within the course rating system.
- Use of an expected score for a hole not played.
- Playing conditions calculation adjustments made more frequent.
- Enhanced guidance on conducting a handicap review.

If you have any questions or would like to know more, please contact the TCC Golf Professional staff and we would be happy to answer any questions.

Respectfully,

Dominic Chiarella
Head Golf Professional

2024 MEN'S GUEST INVITATIONAL

Thursday, August 1 – Saturday, August 3

Details of the event and formal sign-up form will be sent out Sunday, March 10.

2024 WORLD HANDICAP SYSTEM™

3 KEY CHANGES

COURSE RATING & SHORTER COURSES

Courses as short as 750 yards for 9 holes and 1,500 yards for 18 holes are eligible for a Course Rating™ and Slope Rating™ – enhancing the portability of a Handicap Index™ to make the system more accommodating for all players.

10-17-HOLE SCORES

Use of expected Score Differential™ applies when 10-17 holes are played, introducing more flexibility to score posting. In this scenario, you're asked to post your score hole-by-hole.

9-HOLE SCORES

No more waiting on 9-hole scores to combine, as they will count toward your Handicap Index the very next day. A premium is placed on the holes you played and combined with an expected Score Differential for consistency and fairness.
