WELCOME

Hello Friends,

I want to thank all of you who attended the Special Meeting about a New Irrigation System and Pumphouse held on Tuesday, March 26, at the Club. The support for the project was amazing, and I am happy to say that the project was **unanimously approved** by all in attendance. We will continue to update you as this very exciting project progresses.

Additionally, I am excited to announce that **EXECUTIVE CHEF CHAD WILKOFF** has accepted the permanent position as your Executive Chef. Chad and his team have done a fantastic job in a very brief period, and his commitment to the Club is unwavering. I look forward to the summer menu and continuing to elevate our culinary program at the Club. Please be sure to congratulate Chad on his promotion.

Your management team, led by **ASSISTANT GENERAL MANAGER JEREMY PUGLIANO**, is hard at work hiring for the new season, and things are shaping up to be a fantastic summer season at TCC! **MARCI, MARKIE, and RAY** continually provide training to our service team in our constant pursuit of exceeding your expectations with every visit. Lastly, the group is putting the finishing touches on an updated cocktail menu featuring freshly focused cocktails and enhancing traditional libations.

DOMINIC, MARK, and EMILY are busy unboxing all the latest apparel and equipment for the fast-approaching golf season. If you are due for an upgrade, please take a look at our golf staff to schedule a fitting or to find out about our upcoming demo days.

Effective **April 2024**, we will send a friendly email reminder of the modest food and beverage minimum each month to serve you better, our beloved members. This reminder will be sent on the **20th of the month** to allow each of you to enjoy the exceptional culinary experience we offer at the Club. We all get busy, and I hope this reminder will allow us to see each of you more often. The minimum food and beverage requirement is to maintain an active membership, spend more time together, and have fun at your Club. **Nothing would please me more than having every member meet the minimum monthly.**

As you can see, your team has been hard at work preparing and planning for the club's busiest time of year. Your continued support of the Club makes this place unique. I am personally grateful for each one of you. As I approach my 5th season as your general manager, I am as excited as I was on my first day! We have a great club and great people, and it is my pleasure to serve you.

Lastly, we have a few memberships available, so please tell your friends, family members, and business associates about all the incredible experiences you have had at the Club. I appreciate any referral you can provide, as the Club is more fun with the ones we love!

Thank you for being a member of the Best Club in The Valley!

Respectfully yours,

PRESIDENT'S MESSAGE

Greetings Members,

Historically, this was always a tough time to write anything for the newsletter because there generally wasn't much going on during the winter months. However, with our increase in membership and the addition of some pretty talented and creative people on staff, things have changed, and despite the winter season, we've had quite a bit of activity at the Club.

This year, March was exceptionally busy as we had St. Patrick's Day as well as an early Easter. While it goes without saying that the "Wearin' of the Green" is always a big day at our house, we also think Easter is a pretty big deal. Our St. Patrick's Day Party was very well attended, and the live music was a nice addition. Judging by the attendance level, it's safe to say our Easter Brunch was also a huge success. The brunch was crowded from start to finish, and we had a great collection of kids hustling around the property looking for Easter Eggs. I did notice quite a few adults trying to grab some of the Easter Eggs, so we are thinking of adding an adult version of the hunt for next year. I'll leave it to our creative and talented staff to decide what to put inside the adult eggs.

In March, we also hosted our Special Membership Meeting to discuss the irrigation system. We had a great turnout and quite a few thoughtful and important questions. We understand that the project is tremendously expensive, so we appreciate all the supportive comments from members. Buying a new irrigation system is a lot like buying snow tires for your car. Not exactly a fun or sexy purchase. However, given the age of our system, it is an expense that can no longer be put off for another day. If it makes you feel any better, there are actually scientific studies that show that spending money triggers a rush of endorphins and dopamine. Looking at the bright side, while we will be taking on some debt, we will all be experiencing pleasure comparable to a chemical high, every time we see one of the new sprinkler heads pop out of the ground. I truly doubt that's going to happen, but I'm trying my best to put a positive spin on this.

The work on the new system will start in early August, and the project will be staged so that the more disruptive phases will be delayed into the fall to create the least amount of interruption to our use of the course. Once we get through this, we should be good for at least another 30 years.

In the meantime, our Golf Course Superintendent and his staff are working hard to ready the course for play. This is always a great time of year at the Club because golfers always approach the new season full of hope and determination. It usually takes a few months before you realize you can hope all you want, but you're just not that good a golfer. Until the glow wears off, enjoy yourself.

See you at the Club,

Kevin Murphy
President

In Sympathy ...

It is with great sadness that we announce the passing of Albert Guarnieri III at the age of 97. A beloved member for over 58 years, he and his wife Ann loved to golf and would play as much as they possibly could, especially at TCC.

We extend our deepest condolences to Albert's family.

CULINARY CORNER

Hello TCC Foodies,

You know what they say about April: no rain, no flowers! As a culinary team, this month's inspiration for cuisine comes from what is new to this rainy season! April is known for fresh, popular fruits such as strawberries, bananas, lemons, kiwi, cherries, and pineapple. Our Spring vegetables that are still in awash include asparagus, artichokes, leeks, carrots, and peas!

I must thank each of our wonderful members for taking the time to provide feedback on our new menu! Your positivity and love for our new menu have put my team and me in a great position to continue moving forward and creating new and exciting dishes for the upcoming specials and summer season. We have carefully read through all comments and considered all of your opinions. We thank you for making us better for you!

Our culinary foundation training topic for this month is all about **PROPER ROTATION OF GOODS**. The acronym FIFO is our system for storing and rotating goods. FIFO stands for first in, first out, which means the goods that come into our kitchen first get used first. Everything is dated the moment it comes through our kitchen doors to ensure the freshest possible quality for you, our members!

Eat Well,

Chad Wilkoff
Executive Chef

FEBRUARY CHEF'S TABLE: A TOUR OF NAPA VALLEY

On Thursday, February 29, seventeen of our members and their guests took TCC's grand tour of Napa Valley. The Grade 10 Wagyu Delmonico and the Grilled Raclette Cheese were the favorites of the evening. Our dessert course, featuring a Neapolitan Crème Brûlée and Keoke Coffee Cocktail with shaved Belgian Chocolate, was the perfect pair to complete their five-course dining experience!

Greetings Golfers,

What a great start to the 2024 season! Last month provided us with many unseasonable warm days to get out and enjoy this great game. With an early start to the season, I would like to remind everyone of our dress code, tee time policy, and check-in procedure. All players must check in at the Golf Shop before their round begins. A point of emphasis for this year will be all play starting on hole #1 unless approved by the professional staff. No one likes getting cut in front of them as they make the turn to number ten and there is a group sneaking out on the tee. The professional staff will always try to accommodate everyone with their request, but with our growing membership and record number of rounds being played, it is not always an option to start on the back. It is our responsibility to make sure everyone playing has an enjoyable round every time they join us at the Club.

I want to thank everyone who joined us for our Titleist and TaylorMade indoor fitting events, and we look forward to our outdoor fitting events in the next couple of weeks. Titleist, TaylorMade, Callaway, Mizuno, Cleveland/Srixon, and Ping will be here for a fitting event. Be on the lookout for emails containing the registration links for each event. The TCC Golf Shop is fully stocked with all your favorites from Holderness & Bourne, FootJoy, Travis Mathew, Polo RLX, Under Armour, and many more. I want to thank everyone for their continued support and for proudly displaying the TCC logo.

The TCC Golf Shop driver raffle is back! You can take advantage of an opportunity to win a new custom driver of up to \$650 value from the manufacturer of your choice. Titleist, TaylorMade, Callaway, Mizuno, and Ping have released new drivers for the 2024 season and could be a great addition to your golf bag. Raffle tickets are \$50 each, and the best part of the raffle is that YOU CAN'T LOSE!! Each non-winning ticket you purchase will be added to your credit book to use in the Golf Shop this season. Take advantage of this opportunity by contacting the Golf Shop at **330.372.5127** or emailing **dominic@trumbullcountryclub.net** to get your tickets today!
